

KAUSTUBH PATIL

Experience

Talking Pictures Studio • web developer
STES Aerobots • Assistant Programmer

[10/2020]–
[08/2019]– [09/2020]

Project

WALL-BREAKER GAME

A responsive Paddle-Brick web game built using HTML, CSS and JavaScript. The game has five levels, on each increasing level the number of bricks and ball speed increases.

FASHION UNME

My first practice project as a responsive front end web design for a sample e-commerce website.

APPLE HOMEPAGE CLONE

Apple home page clone using HTML, CSS and JS without any animations and not responsive.

PORTFOLIO WEBSITE

The first version of my portfolio website.
